

## How to use Mackenzie Warehouse Online Ordering Portal:

1. Go to <http://mackenzie.turboii.com>
2. Once the web page has loaded you will see a login screen. Login using your Mackenzie Warehouse supplied user name and password.

3. The first time you login you will see a User License Agreement. You will need to select **“Accept”** to continue otherwise you can access the portal.

**Distribution Service Technologies, Inc. Legal Terms and Conditions of Use**

Distribution Service Technologies Member Agreement

The Distribution Service Technologies, Inc. search engine, index, and database are the property of Distribution Service Technologies, Inc. You may not, without express permission from Distribution Service Technologies, Inc., take the results from a search and reformat, copy or display them. Your use of Distribution Service Technologies, Inc. software/application does not create a license or any other rights in Distribution Service Technologies, Inc.'s copyrights, or any other intellectual property or proprietary rights. Manufacturer copyrights apply.

Information shown on this web site was obtained from reliable sources and is believed to be accurate and complete at the time of publication. Although this information is believed to be accurate and complete, no warranty as such is made or implied. Neither Distribution Service Technologies, Inc. nor its clients assume responsibility for errors, changes, omissions, or harm resulting therefrom. Product warranties are limited to those set forth in the various warranty statements appearing on the packages of the products.

- Once you accept the license agreement, you will have access to the online ordering portal. (**Hint:** if you click on the “rear view” mirror you will be able to see our current promotions.)

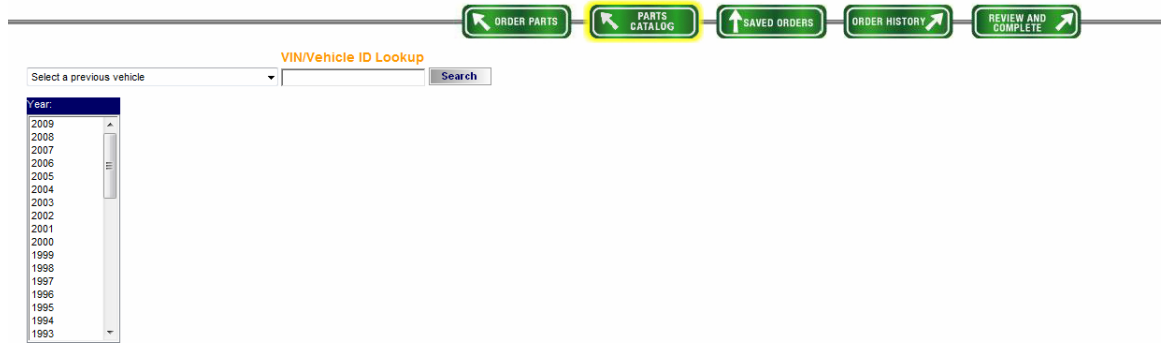

The following options are available.

**Order Parts:**

This is where you can look up Part/Pricing/Availability by typing in the part number you are looking for.

### Part Catalog:

This is where you can lookup parts by year/make/manufacturer of a car.

### Saved Orders:

This is where you can view orders that you have created but not finalized for ordering.

## Order History:

This is where you can view your previous orders.
